SOCIALNETWORX^{INC.}

FREE BROKER ASSESSMENT

Providing the right technology support for your agents can help you **recruit** and **retain** more agents. Inman News recently reported that agents earning more than \$100k per year tend to use technology 3 times more than the average agent.

Social NetworX and Century 21 have teamed up to ensure that Century 21 brokers are ahead of the technical curve. Contact us today and receive a **free social assessment**.

Our assessment includes:

- Identifying your social presence
- Recognition of your office strengths and weaknesses
- Recommendations to increase online presence
